# Wholesale Trade List

## SPRING - 1957

### OUR GUARANTEE

All items are guaranteed to be true to name and of the size and age indicated. We have been growers of lining out stock now for 90 years and consider our host of old and new customers our greatest asset. We always strive to please and do not consider any deal complete until our customer is satisfied in every respect.

### TERMS

Cash in full with order earns 3% discount. Boxing and baling will be charged for at actual cost only. Cash customers will be billed for boxing after shipment.

### TO ESTABLISHED CREDIT,

2% - 10 days from date of invoice. All accounts due 1st of second month following date of invoice.

### RATES

5 of same size and variety earns 10 rates, 25 of same size and variety earns 100 rates, 250 of same size and variety earns 1000 rates.

### SEEDLINGS

indicated by age, and the word sdlgs. following. For instance, 2 yr. sdlgs. indicates seedlings two years old and not transplanted.

### TRANSPLANTS

are indicated with an "X" after the item, and each additional X means an additional transplanting, such as XX indicates the item is twice transplanted.

PRECISION, MACHINE PLANTED,  
FIELD GROWN TRANSPLANTS

# Lining Out Stock

## Explanation - Please Note

After each item 2 or 3 yr. sdlgs. indicates the age of the tree and "sdlgs." indicates seedlings, such as 1 yr. sdlgs. means one year seedlings, 2 yr. sdlgs, indicates 2 year seedling. Each "X" after an item denotes the item is transplanted, such as X is once transplanted, XX twice transplanted.

# CHRISTMAS TREES

Approximately 40 million Christmas trees are used in this country annually, and the growing of them in commercial plantations is getting to be a very lucrative business. Good planting stock is imperative for success. We grow large quantities of transplants for this very purpose and can supply quality trees at reasonable prices. Plant a few acres every year and you will soon have a nice annual income. We would be happy to advise you on soil, cultural practices, etc.

	100	1000
<u>Norway Spruce</u>		
4 yr. trans. 5-10 in.	8.00	75.00
<u>Scotch Pine</u>		
3 yr. trans. 4-8 in.	7.00	65.00
4 yr. trans. 6-14 in.	9.50	90.00
<u>Norway Pine</u>		
3 yr. trans. 4-8 in.	7.50	70.00

The above are the most used varieties, altho Balsam Fir, White Spruce, and other varieties of Pine are also used in some localities. If you are interested write for special quotations.

PLANT NOW FOR A STEADY INCOME LATER

## CONTRACT GROWING

With the event of large reforestation, soil conservation and Christmas tree projects small evergreens are being used in large quantities for these purposes. We now have all our operations completely mechanized and are in a position to grow any quantity of evergreens to suit your specific requirements at astonishing savings. Write for more information.

## CANNED STOCK

We are growing a nice assortment of canned evergreens and a number of deciduous items as well as some of the better varieties of perennials. If you are interested in canned stock, write us for special list, or better still drive up to see what we have to offer. For quick turnover and satisfied customers, don't overlook canned stock.
